

News & Views

PUBLISHED BY THE BAIE D'URFE CITIZENS' ASSOCIATION

JUNE 1953

SEVENTH YEAR
NUMBER 69

THE NEXT MEETING OF THE CITIZEN'S ASSOCIATION, Friday, June 12, will be the last until September, if the pattern of previous years is carried on. In the meantime, of course, News & Views will appear if and when required, with a regular July issue and a revised Town Directory in August, while social events such as Baie D'Urfe Day, the Flower and Vegetable Who, and possibly a dance, will help to bring people together from time to time.

High spot of the June meeting will be the opening of ballots in the vote for an Association slate for the town government, and approval by the meeting of the resulting slate. Unless you have been very prompt in mailing yours in, you have your ballot at home right now. Don't fail to vote, mailing the ballot not later than Wednesday June 10. If you don't know who's who among some of the candidates, you can ask the opinion of your friends who do know them. The next two years will be a critical period in the growth of our town, and the merits of the Town Council will have a distinct bearing on your tax rate and what it buys for many years to come.

Apart from election matters, there will be other business before the house. At least two committees - one on Fire Protection and another on Taxes and Assessments - have yet to report finally to the Association and this may be the night. In any event, there is certain to be a round up of pre-vacation business; and this will be your last chance to express your ideas about the Association's summer program, if you have some suggestions. To the many people who have just moved to town, in particular, we pass along an invitation to attend the next Association meeting on Friday June 12, at 8.15, in the Town Hall.

DO YOU KNOW THAT you are not eligible for public office, and in fact cannot be on the voter's list, unless your taxes are paid? If this means you, well

THE WELL-BABY CLINIC TO BE HELD MONTHLY IN THE TOWN HALL is a pronounced step forward in the services available to Baie D'Urfe residents. This is a progressive community, we value our children like nobody's business, and we suppose that just about everyone's children receive their "shots" at the appointed times. Now, instead of having to take the offspring to Ste. Annes or Montreal, you can drop into the Town Hall to have the job done on the fourth Monday of any given month. There your children will be guarded against diphtheria, whooping cough and tetanus, among friends instead of strangers, while you have a little visit with some of your neighbours. The hours are 2.30 to 4.30 p.m. -- and it's free!

On this general subject - namely kids - this may be a very good time to issue one of those periodic reminders about driving slowly and carefully on our Baie D'Urfe streets (and everywhere else for that matter). Children are impulsive and ignorant of the full dangers of cars. In most cases, they play a great deal on the street in Baie D'Urfe because most of our streets are pretty safe places to play. Do your best to keep things that way. Drive carefully -- the child you save may be your own.

WE ARE SORRY TO REPORT THAT the well-intentioned efforts of everyone concerned to produce a civic election slate that would please everybody was not entirely successful, and when the Nominating Committee presented to the executive of the Association the list of proposed candidates which you received in the mail the other day, there was criticism by some members of the omission of some names, notably five of the six present aldermen. Chairman Clary McGuire has written a statement of the situation on behalf of a majority of the executive, and his article follows.

"The nominating committee, appointed to secure candidates for the forthcoming municipal election, submitted their report to the executive of the association at a special meeting on Thursday, May 28th. The members of the nominating committee attended the meeting on the invitation of the executive, so that further procedure could be worked out jointly.

At this meeting serious charges of discrimination in the selection of candidates were directed at the nominating committee by a member of the executive. The nominating committee resigned and the executive were forced to accept their resignation.

The executive were reconvened on May 31st and evidence was produced to the effect that the charges could not be substantiated. A motion to accept the report of the nominating committee, as originally submitted, was carried. The executive are proceeding to issue the letter ballots as planned.

The executive committee of your association wish to re-affirm the confidence they placed in the members of the nominating committee by appointing them. We wish to thank them for their efforts on behalf of the town and regret this unfortunate occurrence.

C.H. McGuire, CHAIRMAN."

CONTRACTS ALREADY SIGNED FOR NEXT YEAR'S NEW SCHOOLTEACHERS

TEACHING STAFF, OVER HALF NEWCOMERS, WILL INCLUDE EIGHT MEN

One of the most important jobs of our Central School Board is the engagement of teachers. The task grows more difficult as the number of classes increase year by year and the shortage of teachers becomes more acute.

The lack of teachers is very serious. It has two major effects. Firstly, there is a very considerable movement of teachers from job to job, which in our case, means the resignation of 40% of this year's staff and the engagement of 56% of new staff for next year. Secondly, there is a vigorous competition among school boards in order to attract and secure qualified teachers. This in turn sustains and tends to augment the very considerable salary increases which, in our case again, means (including additional teachers) an overall increase in salary costs of 50% for next year. The rise in salary levels, although a growing burden on the taxpayers, will have the long-range advantage of increasing the numbers and calibre of the profession as well as attracting a higher proportion of men.

The output of new teachers this year from the training schools of the province will only be sufficient to fill one-half of the vacancies expected next fall. Since, even today, eight out of nine of all the schools in the province are one-room schools, mostly of little financial strength, it is inevitable that the larger units such as Macdonald will acquire the best of the teachers - at a cost.

In view of present conditions, the growing size of the school and to relieve Mac Davies of some of the load of responsibility, the Central Board has set up a committee to interview prospective candidates, and to make recommendations to the Board. The committee consists of Professor D. Munroe, Director of the School for Teachers, who has kindly consented to act as consultant to the Board; Malcolm Davies, Headmaster; W.C. Butler and Wm. Spriggs, Chairman and member respectively of the Central Board. (Con'd on Page 13)

EFFORTS OF "COMMITTEE OF EIGHT" TO DEVISE EFFECTIVE BY-LAW

LEADS TO ONE PROPOSAL TO HELP CONTROL HOUSING DEVELOPMENTS

The Citizens' Association's "Committee of Eight" set up last September to aid - or prod - the Town Council in an effort to secure a by-law which will ensure some variations in town dwellings, has had rather slow going. After the matter was raised again in the Association meeting a couple of months ago, Chairman Charlie Johnstone, On April 28, was able to organize a meeting of the available members of the Committee (himself, Ross Davidson and Aime Desrosiers) and the appropriate aldermen, Messrs. Menzies and Laird, to go into the matter again.

A general outline of the discussions to date was given by Chairman Johnstone at the May meeting of the Association. He pointed out that the Council does not need to fear any action for damages in its interpreting of the by-laws, as threatened in last autumn's fracas, according to advice from two legal sources. It appears that the Council has the power to decide the intent of the by-laws and that the court will support them so long as there has been no fraud or injustice involved in its decisions. Various alternative ideas for by-law revision were:

1. A proposed variation in the present by-laws drafted last February and subsequently turned down by the Council would have defined housing developments as six or more buildings, and would have provided for a referendum of property-owners (as in the case of a money by-law) after plans and specifications had been on exhibit in the Town Hall for everyone's scrutiny.
2. A similar idea was to define both "group" and "superficial variations" in the present by-law, but also include the requirement for a referendum before permission could be granted - again taking the onus for a decision off the shoulders of the Council.
3. Another proposal was to work up a draft by-law stating that no two identical houses would be built within a radius of, say, 500 feet.
4. Another idea was to have the by-law state three or four basic differences and also several minor ones, and then provide that a house, in order to be "different" and acceptable had to vary from others within a certain distance in, say, two basic and three minor points defined.

The next step, the meeting decided, was for the Council's Building Committee to draft a proposed new by-law based on these talks, and then place the matter in the hands of a competent lawyer well versed in municipal law, who until now has had little or no connection with our problem, for final polishing. As a result, Alderman Doug Laird has drafted the following proposed clause. Before carrying it to the legal profession, he has asked citizens to look it over and suggest any improvements, and get in touch with him. The draft version follows, and you are asked:

What Do You Think of This as a New By-Law?

Houses within 300 feet of each other shall have the following minimum variation in design:-

1. If the foundation plan (excluding garage) is a rectangle;
 - (a) There shall be a variation of at least 20% in the length of the wall fronting on the principal street;AND
 - (b) There shall be a different exterior finish or colour over at least 50% of the front elevation;AND
 - (c) There shall be a difference in the number of roof planes.
2. If the foundation is not a rectangle:
 - (a) There shall be a different number of roof planes;OR
 - (b) There shall be a variation of at least 20% in the total length of the walls fronting on the principal street.

COMMUNITY RECREATION CENTRE LOCATED IN TOWN HALL GROUNDS

AND SINGLE ELECTION SLATE FAVOURED AT MAY MEETING

The various proposals for the location of a community centre, and plans for the biennial civic elections, between them provided a busy program for the monthly general meeting of the Citizens' Association on May 8. On these two major items, it was decided that the Town Hall park was the preferred location for a community hall, and that a "straw vote" should be held to select a single slate of candidates to be sponsored by the Association on nomination day, June 20.

For a play-by-play account of the evening's business, we pass along most of the minutes as prepared by Recording Secretary Marion Amys.

The chairman brought up the Community Hall problem for serious discussion as the council had asked for an opinion from the citizens. Mr. McGuire presented a clear view of the three propositions under consideration.

(1) Binz Barns For a price of \$25,000. two large buildings and three small could be purchased and land valued at \$10,000. One of these buildings could be adapted as a Hall for \$6,000. and another be adapted as a residence for a permanent town employee, also there would be ample space for fire or other town equipment.

(2) The Morgan Rd. Project This would be a cheaply constructed Hall costing \$23,000. with accomodation for 250 people, a stage, kitchen and washroom facilities. He pointed out that the site chosen meant encroaching on land designated to recreation and also allowed for little or no expansion.

(3) The Present Town Hall This project would mean leaving the main building as is and adding either to the south or the east. The development of this location would satisfy our present needs of a larger Community Hall and provide space for water equip-ment, and would be something the town could always make use of for water activities.

Mr. Windebank mentioned that a fourth project should not be overlooked, and that was the old town plan which has a section designated for commercial buildings and a Town Hall.

After discussion it was shown by a vote that the majority (17 versus 9) were in favour of the council proceeding with investigations for improving the present Town Hall. It was felt that whatever formulated should be brought back to the association for discussion before a final decision was reached.

Membership Mr. Fisher and Sunny Acres were congratulated for the 100% membership of that section.

Town Planning: Mr. Charlie Johnstone reported on the meeting with the council of the Town Building Committee. After legal advice from two sources, they were assured that the council has power to decide the intent of the law providing there has been no fraud or injustice. When a definite proposal is drafted by Alderman Laird it will be published in the News & Views for constructive criticism.

Treasury: Reported a balance of \$512.00.

Recreation: Mr. Bill Norcott reported that the west end of the Town Hall property has been chosen as a suitable location for a beach with sand and a boom. A supervisor has still not been chosen.

News & Views: Mr. Ellis reported that he would like to correct an error in News & Views, and said there was a circular letter which went around to inform people of the nominations in the election in 1951.

Community Chest: Mrs. Tait reported that the canvass was a success and that people gave more thoughtfully and more generously. She thanked the canvassers for their excellent efforts. Total contributed amounted to \$1045.00, as follows:

Salvation Army	\$318.75
Combined Appeal for the Blind	257.25
Joint Cancer Fund	265.00
Women's Auxiliary of the Lachine General Hospital	204.00

She advised that this system be carried on another year. A vote of thanks was proposed by Mrs. Pat Laird to Mrs. Tait for her excellent organization.

Correspondence: Mr. Willetts reported that he wrote Mr. Long requesting \$1,000. for the Recreation Committee in the 1953-54 budget. He presented an itemized list of the propositions.

He read a letter from Mr. Tony Kingsmill tendering his resignation as vice-chairman because he was moving to British Guiana. This was regretfully accepted as Mr. Kingsmill was a most active and useful member in the Association.

A notice from the Ministry of Health was read which announced the Well Baby Clinic which will be held at the Town Hall every fourth Monday starting May 25, which will provide immunization against diphtheria, whooping cough and tetanus for children three months of age to eight years.

Reg. Vidler asked for and obtained approval of his plan to close the Post Office Monday instead of Wednesday.

Elections: The Chairman brought up the subject of elections by pointing out that the main purpose of the Association is to see that the Town has proper representation on the Council.

Mr. Tait suggested that the executive act as the nominating committee and present a list of candidates to be sent to the citizens to show their preference by a letter ballot.

Mr. Ellis suggested that the Citizens' Association should present a list of suitable candidates and that citizens should also be willing to finance the cost of a proper legal election which would amount to, say, thirty cents a householder.

It was decided by a majority vote (22 versus 5) that the opinion of the meeting was "that we want a single slate rather than a multiple slate to present on nomination day".

After the discussion it was moved by Mr. Ewing Tait that the executive be responsible for appointing a nominating committee who will endeavour to secure more than one candidate for each office. He suggested that these names be circulated to the Citizens in the form of a letter ballot.

The motion was seconded by Mr. Ted Fry and carried. It was decided by vote (24 versus 5) that Mr. Tait's suggestion of a letter ballot to determine the final candidates would be used if practical.

Mr. John Windebank moved that the slate of nominees to be presented by the Association on nomination day be finally approved by the June meeting, this was seconded by Mr. E. Tait and the motion was carried.

Tea and cookies were served by Mrs. E. Delmar and her committee of Mrs. Polly McGuire, Mrs. Dorothy Carson and Mrs. Alberta Firing.

POST OFFICE CLOSED MONDAY MORNINGS NOW

At the May Citizens' Association Meeting it was agreed that the Post Office day of closing would be changed, and so as to avoid any embarrassment on the part of your postmaster and yourselves, please take note of the change.

The Post Office will be open Tuesday to Saturday inclusive from 8 A.M. till Noon, and 3 P.M. to 7 P.M. Monday - from 3 P.M. to 7 P.M. only.

A "MAKE-BAIE-D'URFE-BEAUTIFUL" SERVICE

OF THE BAIE D'URFE HORTICULTURAL SOCIETY

Home Grounds Project

1. As part of their programme for the year, the Horticultural Society will sponsor a Home Grounds Project to encourage the improvement and development of home surroundings through horticultural practices. The Society wishes to recognize members who effectively improve the appearance of their property thereby helping to increase the attractiveness and value of property in the Town.

2. All properties of members will be judged from the standpoint of appearance from the street; and general attractiveness, including the front and rear of the home. The Quebec Federation of Horticulture Trophy will be awarded for the "best home surroundings" where professional gardeners have not been employed. Special consideration will be given to gardens where professional gardeners are employed.

3. Competitions will be arranged for amateur gardeners who wish to enter any of the following features:

- a: Best Perennial Border
- b: Best Rock Garden
- c: Best Vegetable Garden

4. Applications for entrance in any of the above three features must be mailed to C.G. Coulter, 58 Oxford Road, (P.O. Box 365, Ste. Anne de Bellevue) accompanied by entrance fee of 50 cents for any one or all features.

5. Gardens will be judged by a trained horticulturist, selected by the executive, between July 1 and July 12.

Baie D'Urfe Horticultural Society
Garden Feature Competition
Application Form

Detach application form and forward to C.G. Coulter, 58 Oxford Road, (P.O. Box 365, Ste. Anne de Bellevue). Please enclose entry fee of 50 cents with application. Closing date for applications - June 27, 1953.

COMBINED APPEAL A BIG SUCCESS

Never underestimate the power of a woman - and especially never underestimate their combined appealing qualities. Despite - or maybe because of - uncertainty, reservations and various other signs of a timidity about combining four charitable funds in one approach to local residents, the results have been hugely successful. The total collected was \$1,045. This is a substantial figure but even more convincing is the fact that each of the funds, taken individually, showed an increase of 30% to 50% over what was collected locally in previous years.

A very high standard of achievement has been set by Marshall Ruth Tait, her Companions-at-Arms Nancy Dawson, Pat Laird and Mary Coulter and the Glorious Company of Canvassers herewith appended. (This is being written in the dying hours of Coronation Day and we are so permeated with title, rank and style that the aura of it can't be kept out of our thinking and writing.)

Seriously, the whole thing has been very gratifying to everyone and marks a step forward in community planning. - Mary Coulter.

Canvassers who took part in the successful charity campaign were:

Lakeshore Rd: Mrs. Kai Bjorn, Mrs. Alex Poe, Mrs. W.H. Wright, Mrs. S. Duncan, Miss B. Duncan, Mrs. W.B. Proudfoot, Mrs. J.A.L. Walker, Mrs. L.R. Thomson, Mrs. H.G. Browne, Mrs. H.A.I. Valentine, Mrs. D.W. MacDonald, Mrs. E.C. Osborne, Mrs. S.S. Albulet.

Sunny Acres: Mrs. C.O. Grimm, Mrs. S. Persson, Mrs. F.C. Jamieson, Mrs. J.A. Fisher.

Lakeview Rd: Mrs. R.J. Higman, Mrs. D.G. Owen, Mrs. T.W. Penrice, Mrs. E.M. DeWitt, Mrs. H.G. Brookhouse, Mrs. D.H. Nairn, Mrs. V. Willetts, Mrs. J.R. Burridge.

Morgan Rd: Mrs. F.O. Pinkney, Mrs. Lionel Evans, Mrs. W.R. Waverley.

St. Andrew's Rd: Mrs. W.J. Windebank, Mrs. W.E. Fielding, Mrs. G.B. Lint.

Oxford Rd: Mrs. R.H. Christian, Mrs. R.J. Baker, Mrs. Peter Smith.

PRELIMINARY LIST OF CLASSIFICATIONS FOR FLOWER-VEGETABLE SHOW

Classifications for this year's flower and vegetable competitions are listed here so you can start feeding and grooming your favourite entries right away.

VEGETABLE CLASSES

Beans, bush or pole, beets; cabbage, any kind; carrots, any kind; cauliflower; corn, halfshucked; cucumber; onions, seed; onions, sets; peppers, potatoes; squash, any kind; Swiss chard; tomatoes; turnip; vegetable marrow; any vegetable not listed above of outstanding merit; collection of vegetables in 11 quart basket; childrens' collection of vegetables.

FLOWER CLASSES

Asters; antirrhinum (snaps); carnations; cosmos; gaillardia; gladioli; marigold, calendulas; marigold, small; nasturtium; pansies; phlox (perennial); petunia double; petunia single; roses; salpiglossis; scabiosa; sweet peas; zinnia, large; zinnia, small; any flower not listed above of outstanding merit; collection of cut flowers; table centre flower arrangement; children's entry of wild flowers; children's entry of cut flowers.

ARTS AND CRAFTS EXHIBIT

In the last issue of News & Views, announcement was made of the Handicraft Exhibit which is being held this year as an added feature of Baie D'Urfe Day

If they could, your organizing committee would like to contact personally each resident with this invitation to exhibit, but the cold fact is that we do not know who may have articles which might be included. We suspect that a very large proportion of residents do have some craft which they enjoy, either in the solitude of leisure time at home or in a group setting, such as a pottery club.

The application blank below indicates the range of arts which we hope to include, and the "others" or miscellaneous group leaves ample scope for the more original souls who may do stone carvings or block prints or other things quite beyond our brightest imaginings.

While the main purpose of the exhibit is to draw these arts and crafts together, for display and enjoyment, opportunity will be given to the owners to sell any of their articles. A commission of 10% will be retained to help cover the cost of insurance which is being taken out as a protection to all exhibitors. We are planning to tag and list each article received as an added measure of protection.

Will you fill in the blank and return it as soon as possible? We are hoping for the full co-operation of everyone. So, please do not let a sense of false modesty spoil our potential pleasure of seeing whatever you may have which will add to the success of this new venture. - Mary Coulter.

BAIE D'URFE ARTS AND CRAFTS

Address _____ Tel. _____

Please detach and return to Mary Coulter, Box 365, Ste. Anne de Bellevue.

(Con'd from Page 3). As a result of the activities of this committee and of the Central Board, it is very satisfactory to report that agreement has already been concluded for every position for next year. We have every reason to expect, based on qualifications and experience, that we shall have a definitely high calibre of teaching during 1953-54, especially in the High School grades in which there will be 2 extra classes, 8B and 9B. It is interesting to note that there will be 8 men on the teaching staff next year out of a total of 25 teachers, exclusive of the Headmaster, -W. Spriggs. -Page 13-

FOURTH ANNUAL NURSERY SCHOOL FAIR ON JUNE 6

The fourth annual Nursery School Fair will be held on the Macdonald College grounds on June 6. There will be a pony ride, tractor ride, puppet show, movie, midway and home cooking table. You will also be able to spend your money on ice-cream, candy and soft drinks.

Young children and their parents of the community are invited for a gay afternoon starting at 2:30 p.m. The committee in charge has greatly appreciated the tangible assistance in the form of donations received from a number of business firms, including Allen's Beverages, Canada Dry, Coca-Cola, Orange Crush, George Weston Limited and Fry-Cadbury.

AROUND OUR GROWING TOWN

Monday, June 8, is the date of the musical evening in the Town Hall, when the violin pupils of Elsie Persson will hold their recital. Proceeds will go to the Junior Red Cross, and you are most cordially invited to attend.

Some road signs became lost during the winter, perhaps knocked over by a snow plow or something, and subsequently taken home by a child. If there is one around your home, please advise Reg. Vidler - replacements cost money!

Mary Smith has two fine, healthy baby kittens. Perhaps your child would like one - or both. Phone Mary at 2611 for a demonstration.

Last year's trouble with picnickers at the Town Hall is being repeated this year on the vacant waterfront property owned by the Hydro and Mr. Yavitch. As a result of the litter and property damage to their trees and flowers, nearby residents hope the owners will "post" the properties with Private signs. As many as 15 cars at a time were seen a couple of Sundays ago, and the Walkinshaw lilac trees took quite a beating from the visiting flower lovers.

Vivian Mitcham, who has completed her Mothercraft nursing course, is back home in Baie D'Urfe and ready to do the necessary for new Baie D'Urfe mothers. Her phone number is 2059.

Apropos an item last month about a new septic tank - we had a phone call to say it just ain't so; the tank in question has been there for about five years.

New owners of the former Heslop home at 64 Oxford are Mr. and Mrs. W.P. Murray, who are moving from Senneville.

New residents in the Miller development not previously noted include the families of Messrs. R.E. Ramsay, 78 Somerset; J.P. Glowa, 76 Somerset; J.S. Barrable, 720 Essex; R.H. Tivy, 83 Somerset, and W.M. McCartney, 80 Devon. Most of the houses now are occupied, and home-owners are duly grateful that road-building has begun.

It was a boy for Mr. and Mrs. John McCormack of Lakeview, during the latter part of May.

If your wife is away on a visit and you want to get her home in a hurry, send her a copy of the local paper with an item cut out.

A girdle doesn't really change a gal's weight. It just moves it to a better-looking position.

Courtship is always one race that is always neck to neck.
